[illegible]tion Description

Install a Rock Jetty to divert River sediments away [illegible]om Bayou Sorrell, The Jetty should be installed on the [illegible]h of the bayou angled down stream. Also a deep area [illegible]ld be dredged South of the Jetty to act as a [illegible]iment trap. This will divert most sediments away [illegible] valuable wetlands to the Coast where they are [illegible]ently needed, which is also consistent with the [illegible]ster plan for the Coast. Also close coontrap and [illegible]ce some ~~of the~~ of the water input loss by reopening [illegible]proving the water inputs off of bayou sorrell that [illegible] in the East Grand lake Plan.
